Meeting:	HUNDRED FOOT WASHES IDB	Subject:	CONSULTING ENGINEERS REPORT: CHIEF ENGINEER'S SUMMARY & CAPITAL PROGRAMME
Date:	Wednesday 8 th April 2026	Officer Responsible:	Nicola Oldfield

RECOMMENDATIONS

The Board is asked to:

- A. To consider the development of an investment plan for asset refurbishment/replacement and to instruct the Consulting Engineer accordingly.

1. Summary of Key Planning Issues

We will, when possible, seek the Board's input, rather than wait for Board meetings. This will be done via correspondence with the Chair, Vice Chair, District Officer and any appropriate sub-committees.

2. Capital Works

The Environment Agency's grant in aid funding policy is being changed and will be applied to all new projects after April 2026. The pressure on funding is extreme, and the EA is prioritising all projects in the programme.

It is recommended that the Board considers the development of an investment plan for asset refurbishment/replacement and to instruct the Consulting Engineer accordingly.
